**Doug Verst President Gutter Magician  
Congratulates legendary Superbowl  
Quarterback # 14 Ken Anderson at I-Heart  
Radio Cincinnati. The Number One Bengal of

Doug Verst met up recently with the legendary Quarterback # 14 Ken Anderson at the I-Heart Radio studios in Kenwood to Congratulate Ken in person. Ken was recently named the number one Bengal after 50 years. *“A well deserved honor”* says Doug.

Make no mistake Doug Verst is a super fan and was so excited to team up with number 14 and do a commercial for Gutter Magician while at the I-Heart Radio studios . The legendary quarterback is also a pro in the studio with his Frank Sinatraesque' *"one take"* on his Gutter Magician commercials. Amazing off the field as well as on it, *"Ken Anderson is a great addition to our team"* said Doug, *"we feel so happy to have him represent us on **700 WLW** and give his fans and listeners a great offer"*. *"The New Quarterback at Gutter Magician is Ken Anderson"* said Doug.
